Saans leti hoon to
Tera hi ehSaas hota hai
EhSaas hota hai
Door hoke bhi har lamha
Tu mere paas hota hai
Mere paas hota hai
Tere bin ek din na ghuzre
Kaise baetenge na jaane yeh saal
Hai dil ka yeh haal
Tere naal jeena mainu tere naal
Marna mainu tere naal, tere naal
Tere naal jeena mainu tere naal
Marna mainu tere naal, tere naal
Aayi hoon jiske liye main
Duniya saari chhod ke
Ik pyar hi to hai
Baadalon ko aasmaan se
Jodti jo dor hai
Ik pyar hi to hai
Dhoop chhaon baarishon mein
Rab se ki jo sifarishon main khayaal
Hai tera hi khayaal
Tere naal jeena mainu tere naal
Marna mainu tere naal, tere naal
Tere naal jeena mainu tere naal
Marna mainu tere naal, tere naal.
