Tere shaharo se raaja hame ban hee bhale  
Vaha chain se toh sote the sitaron ke tale  
Tujhako bhee dekh liya shahar bhee tera dekha  
Jagamagahat kee har ik tah me andhera dekha  
Aish karate hain tere shahar me daulatavaale  
Aur phankon ke sitam sahate hain mehanatvaale  
Tere shahaaro me jaban jhuthee hai, dil khote hain  
Bildinge unchee hain, insaan bahut chhote hain  
Tere shaharo se...  
Shor itana hai kee dil kee bhee sada kho jaaye  
Bhid aisee hai ke khud apana pata kho jaaye  
Ishkvaalo ko yaha rasme wafa yaad nahee  
Husn ko husn kee sharmo haya yaad nahee  
Jism se ruh ka hai bair tere shaharo me  
Najar aate hain sabhee gair tere shaharo me  
Tere shaharon se...  
Tune jo dhang nikale hain ve bedhange hain  
Kapada bunatee hai mil phir bhee badan nange hain  
Galla chhup jata hai dhanavano ke tahakano me  
Lakhon mar jaate hain tapate huye maidaano me  
Bhukhe futapatho pe sofe hain tere shaharo me  
Log insaaf ko rote hain tere shaharo me  
Tere shaharo se...  
Kahee bhaasha ka jhagada hai toh kahee praant ka hai  
Kahee naslo ka hai fasaad toh kahee jaat ka hai  
Aman aur chain ka hai saaya nahee in raaho me  
Dadhiya chotiya takaratee hain chauraha me  
Tere shaharo me mohabbat ka pata kya dhundhe  
Aadamee tak nahee milata hai khuda kya dhundhe  
Tere shaharo se...  
Tumane raket kee madad le ke sitaare dekhe  
Maut ke munh me hain dukh dard ke maare kitane  
Daane daane ko tarsate hain bechaare kitane  
Yahee tahjib hai shaharo kee toh jangal achchhe  
Jo har ik ghar pe barasate ho woh baadal achchhe  
Tere shaharo se...
