Tere shaharon se raja hame ban hee bhale  
Vahan chain se toh sote the sitaron ke tale  
Tujhako bhee dekh liya shahar bhee tera dekha  
Jagmagahat kee har ik tah me andhera dekha  
Aish karate hain tere shahar me daulatavale  
Aur phankon ke sitam sahate hain mehanat vale  
Tere shaharon me jaban jhuthi hai dil khote hain  
Bildingen unchee hain insaan bahut chhote hain  
Tere shaharon se...  
Shor itana hai kee dil kee bhee sada kho jaye  
Bheed aisee hai ke khud apana pata kho jaye  
Ishk valon ko yahan rasm-e-vafa yaad nahee  
Husn ko husn kee sharm-o-haya yaad nahee  
Jism se rooh ka hai bair tere shaharon me  
Najar aate hain sabhee gair tere shaharon me  
Tere shaharon se...  
Toone jo dhang nikale hain ve bedhange hain  
Kapada bunati hai mil phir bhee badan nangen hain  
Galla chhup jata hai dhanavanon ke tahakanon me  
Lakhon mar jate hain tapate hue maidanon me  
Bhookhe futapathon pe sote hain tere shaharon me  
Log insaf ko rote hain tere shaharon me  
Tere shaharon se...  
Kaheen bhasha ka jhagada hai toh kaheen prant ka hai  
Kaheen naslon ka hai fasad toh kaheen jat ka hai  
Aman aur chain ka hai saya nahee inn rahon me  
Dadhiyan chotiyan takarati hain chaurahon me  
Tere shaharon me mohabbat ka pata kya dhundhen  
Aadami tak nahee milata hai kuda kya dhundhen  
Tere shaharon se...  
Tumane raket kee madad le ke sitare dekhe  
Maut ke munh me hain dukh-dard ke mare kitane  
Dane-dane ko tarasate hain bechare kitane  
Yahee tahajeeb hai shaharon kee toh jangal achchhe  
Jo har ik ghar pe barasate hon woh badal achchhe  
Tere shaharon se...
