Prit kee lath mohe aisee lagee, ho gayee mai matwalee
Bal bal jaun apne piya ko, ke mai jaun varee varee
Mohe sudh budh naa rahe tan mann kee, yeh toh jane duneeya saree
Bebas aur lachar phiru mai, haree mai dil haree
Tere nam se jee lu, tere nam se marr jau
Teree jan ke sadke me kuchh aaisa kar jau
Tune kya kar dala, marr gayee mai mitt gayee mai
Ho ree ha ha ree ho gayee mai, teree divanee divanee -2
Ishk junun jab hadh se badh jaye
Hanste hanste aashik sulee chadh jaye
Ishk kaa jadu sar chadhkar bole
Khub laga lo pehre raste rab khole
Yahee ishk kee marjee hain, yahee rab kee marjee hain
Tere bin jina kaisa ???
Tune kya kar dala marr gayee mai mitt gayee mai
Ho ree ha ha ree ho gayee mai, teree divanee divanee -2
Ke mai rang rangilee divanee -2, ke mai albelee mai mastanee
Gaun bajaun sabko rihau, he ??? se beganee
Ke mai divanee mai divanee
Tere nam se jee lu tere nam se marr jau
Tere jan ke sadke me kuchh aaisa kar jau
Tune kya kar dala marr gayee mai mitt gayee mai
Ho ree ha ha ree ho gayee mai, teree divanee divanee -4
