Teree palke jo uthee, teree palke jo jhukee  
Tham gayee tham gayee dhadkane kuchh meree  
Dhire se huwa dil bekaabu, dhire se chala tera jaadu  
Jaadu, ha ha jaadu  
Teree palke jo uthee, teree palke jo jhukee  
Tham gayee tham gayee dhadkane kuchh meree  
Ek taraf teree mehkee yeh saanse, ek taraf mehki mehkee hawaaye  
Ek taraf shog aalam hai kitna, ek taraf shog teree adaaye  
Aaj rangin sajo sama hai, rang kitne hain kaise bataaye  
Yeh rang bhare kudrat ya too  
Dhire se huwa dil bekaabu -2, dhire se chala tera jaadu  
Jaadu, ha ha jaadu  
Muskurane laga dekho saawan, tum bhee hasdo khajab ho na jaaye  
Dekhte dekhte aaj tera had se jyaada asar ho na jaaye  
Dil dhadkane laga dhire dhire, abb yeh darr hai ke yeh kho na jaaye  
Ham jaaye kahan tum ho harsu  
Dhire se huwa dil bekaabu -2, dhire se chala tera jaadu  
Jaadu, ha ha jaadu  
Teree palke jo uthee, teree palke jo jhukee  
Tham gayee tham gayee, dhadkane kuchh meree  
Dhire se huwa dil bekaabu, dhire se chala tera jaadu  
Jaadu, ha ha jaadu  
Jaadu, jaadu, jaadu, ha ha jaadu
