Teree yad bahut abb aane lagee hain
Ek jan hain abb woh jane lagee hain
Tanha tanha ham rehne lage hain
Tanhayee bada tadpane lagee hain
Yeh pal jane kyon aate hain, woh pal jane kyon jate hain
Yado ka yeh kaisa dariya, ham pal me hee beh jate hain
Malum nahee sahil hai kaha, malum nahee manjil hai kaha
Iss hal me jina mushkil hain
Har sans tujhe hee bulane lagee hain
Teree yad bahut abb aane lagee hain
Ek jan hain abb woh jane lagee hain
Kabhee milte ho tum khwabo me, kabhee milte ho tum yado me
Apana bankar kyon rehte ho dilbar mere inn aankho me
Har wakt mere najdik raho kuchh merree suno kuchh apanee kaho
Teree yado pe jo khushbu hain, merree sanso ko mehkane lagee hain
Teree yad bahut abb aane lagee hain
Ek jan hain abb woh jane lagee hain
Tanha tanha ham rehne lage hain
Tanhayee bada tadpane lagee hain
