Tiranga iske gun gaye ganga yahi git sunaye
Teri hifazat meri hifazat karti hai vardi
Rahe salamat sabki khidmat karti hai vardi
He ram he ram he ram ram ram
Bapu gandhi ka desh hai ye
Is desh me sach ka besh hai ye
Sari duniya me aman rahe
Is vardi ka sandesh hai ye
Jang chhide bas phir
To qayamat karti hai vardi
Rahe salamat sabki khidmat karti hai vardi
Teri hifazat meri hifazat karti hai vardi
Rahe salamat sabki khidmat karti hai vardi
Vardi ko kisi se bair nahi
Koi apna nahi koi gair nahi
Koi is par dag lagaye to
Bas samjho uski khair nahi
Mat puchho kya uski halat karti hai vardi
Rahe salamat sabki khidmat karti hai vardi
Teri hifazat meri hifazat karti hai vardi
Rahe salamat sabki khidmat karti hai vardi
Ye farz nibhana padta hai
Ye karz chukana padta hai
Apne hatho se apno ko
Hathkadiya lagana padta hai
Badnami ke naam se nafarat karti hai vardi
Teri hifazat meri hifazat karti hai vardi
Rahe salamat sabki khidmat karti hai vardi
