Teri lori yaad hai aati  
Tere bina main so na paaun  
Kaisa hai najane andhera  
Dekho main dar dar jaaun  
Teri lori yaad hai aati  
Tere bina main so na paaun  
Kaisa hai najane andhera  
Dekho main dar dar jaaun  
Uth ke dhoondhun  
Chaaron taraf main  
Tujh ko phir bhi dekh na paaun  
Main jo tujh se door hun itna  
Kaise tere paas main aaun  
Maateri lori yaad hai aati  
Tere bina main so na paaun  
Kaisa hai najaane andhera  
Dekho main dar dar jaaun  
Tu bethi hogi khaane ki thaali  
Chawal ke laddu us per saja ke  
Aankhein teri roti hongii  
Aane ki meri aas laga ke  
Aahat sun kar tu jaagti hogi  
Mere qadmon ki rasoi se aati  
Bhaagti hogi phir kone kone  
Ruk jaati hogi mujh ko na paa ke  
Maa,  
Teri lori yaad hai aati  
Tere bina main so na paaun  
Kesa hai najaane andhera  
Dekho main dar dar jaaun  
Deewaron par latki patangein  
Ud jaane ko bechain hongii  
Charkhi par jo dhul jami hai  
Dhaage par woh ghisti hogi  
Galiyaan khaali raste chup hongee  
Pedon par jhoole roothe hongee  
Mera tukda aasmaan ka rota hoga  
Maamere aansu us mein miley hain  
Kaise un ko bolo chupaaun.
