Meri jaan hai tu, armaan hai tu, armaano ka jahaan hai tu  
Meri bechaini se jaan-e-ja lekin abb tak anjaan hai tu...  
Teri yaad na aayi ho aisi koi shyaam nahi  
Tanhaayi ke aalam mein -2, dil ko kahi aaraam nahi  
Teri yaad na aayi ho aisi koi shyaam nahi -2  
Tere khayaalon ki mehfil sajaayi hai dil ne  
Teri hi tasweer dil mein basaayi hai dil ne  
Aaj dil ne  
Tere hi baare mein har waqt sochu main jaana  
Teri hi chaahat hai bas ek tujhko hai paana, tujhko paana  
Aata kahin se bhi toh -2, tera koi paigaam nahi  
Teri yaad na aayi ho aisi koi shyaam nahi -2  
Tere bina suna suna yeh saara jahaan hai  
Chaaron tarah bas udaas ka mausam rawa hai -3  
Bhigi bhigi meri palkon mein thehari nami hai  
Sab hai mere paas, bas ek teri kami hai -2  
Aisa koi jikrr nahi -2, jisme ho tera naam nahi  
Teri yaad na aayi ho aisi koi shyaam nahi -2
