Tha woh bhi kya zamana
Yaad hai din yaad se milne ki
Jab aati thi raat
Are jagte rahte the do dil
Aur so jati thi raat
Haye hizar ke sikwe karte
Rote rote has padte
Der tak diwano ki si
Bate karte rahte hum
Aahe tha woh bhi kya zamana khuda ki kasam
Sabse to unki thi pehchan dur ki
Hamse tha dostana khuda ki kasam
Aahe tha woh bhi kya zamana khuda ki kasam
Na puchho na haye haye
Na puchho ke afat ki thi ek nisani
Hamari najar aur kisi ki jawani
Mulakat ko har jatan kar gujarte
Magar dil dhadkate jamane ke dar se
Andheri gali unchi nichhi dagar
Churaye badan aur bachaye najar
Are har kadam thokre kha ke chala
Are lagta tha kya suhana khuda ki kasam
Aahe tha woh bhi kya zamana khuda ki kasam
Idhar aa haye haye idhar aa
Hasina tujhe hum bataye
Yahi husan tha aur yahi thi adaye
Isi julf ki chhaw me ji chuka hu
The aise hi lab jinka ras pi chuka hu
Wo surat abhi tak yaad hai
Jise mera ishk barbad hai
Koi bhula de magar mere waste
Are muskil hai bhul jana khuda ki kasam
