Thakee thakee see sham phir jawan hone lagee
Ujalon ne churaye hain, rat key sab nishan abhee abhee
Jindagee udd rahee, banke dhunwa dhunwa
Kal mile naa mile, kya pata kal kaha
Aa sawaru tujhe key ji lu mai yeh lamha
Jab yaha dil se dil mile, phir se pyar kee ik hawa bahe
Bahe phailaye aa gaye, milne ko bekarar se
Dhundhhte phirte the, kaun yeh khoj se
Baithhe hain pehluo me ek ek kisse
Hasratein thee kisikee, kisikee naa ho gayee
Thakee thakee see sham phir jawan hone lagee
Ujalo ne yea oh oh yea.....
Aasman se utarta shor, chamak raha hai bor bor
Jhilmilatee huwee yeh rat gatee huwee
Ik suhagan see rat yeh suhana sama
Kal mile naa mile kya pata kal kaha
Aao sawaru tujhe key ji lu mai
Thakee thakee see sham phir jawan ho gayee - 3
Thakee thakee thakee thakee.....
Ho gayi sham jawan aha aha aha aha.....
