That was yesterday
That was yesterday
O hamase tum pyaar karate the,
Iqraar karate the
That was yesterday
That was yesterday
O hamase tum pyaar karate the,
Iqraar karate the
Iss dil ko behlaate the,
Saare naaj uthaate the
Hamase milane aate the jaate the
That was yesterday
That was yesterday
That was yesterday
That was yesterday
Hum ruthate the manaate the tum
Hum ruthate the manaate the tum
Chaaht mein kitana hasaate the tum
Hey hey hey sapano ko
Mehkaate the aate the jaate the
That was yesterday
That was yesterday
Hamase tum pyaar karate the,
Iqraar karate the
That was yesterday
That was yesterday
That was yesterday
That was yesterday
Hum kitane bhole the naadaan the
Hum kitane bhole the naadaan the
Teri muhabbat se anjaan the
Tum hamako samjhaate
The aate the jaate the
That was yesterday
That was yesterday
Hamase tum pyaar karate the
Iqraar karate the
That was yesterday
That was yesterday
That was yesterday
That was yesterday
That was yesterday
O jo rutha hai usako manaale hey hey
Uss deewane ko apna banaale hey ey
Teri adaao pe marata hai woh,
Tujhase bahot pyaar karata hai woh
That was yesterday
That was yesterday
Hamase tum pyaar karate the,
Iqraar karate the
That was yesterday
That was yesterday
Iss dil ko behlaate the,
Saare naaj uthaate the
Hamase milane aate the jaate the
That was yesterday.
