All day, so lost in love  
Just can't, can't get enough  
Wo oh oh!  
All day, so lost in love  
Each and every moment every minute every day  
Just can't, can't get enough  
Wanna always be together never go away  
Dekhun tujhe, chhoo lo tujhe, Sochun tujhe, sunu tujhe  
Bas yunhi tujh mein dooba rahun  
Dooba rahun dooba dooba rahun  
Main tujh mein hi tujh mein dooba rahun  
Thats all I really wanna do x4  
Dekhun tujhe, choo lo tujhe, sochun  
tujhe, sunu tujhe  
Bas dil tujh mein dooba rahe  
Dooba rahe dooba dooba rahe  
Dil tujh mein hi tujh mein dooba rahe  
Thats all I really wanna do x8  
Pehle mein tujhse milta tha  
Abb main tujh mein khulta jaun  
Khwaabon mein agar haath badhaun  
Haath tera paun  
Haan khushboo ke jaise mujhe odh le tu  
Har khayal mahekta ho  
Ehsaas leke tere saath ka  
Har lamha sarakta ho  
Dooba rahun dooba dooba rahun  
Main tujh mein hi tujh mein dooba rahun  
Thats all I really wanna do x4  
Kya yeh chhalka? kya hua hai?  
Do kinaare mil rahe hain  
Sang sang hum paaniyon pe chal rahe hain  
Neende nahin hai yeh main aa raha hoon  
Aane do leharane do  
Saanson se teri main judne laga hoon  
Khwahishein bann jaane do  
Dooba rahe dooba dooba rahe  
Dil dooba dooba rahe  
Thats all I really wanna do x7
