Thereâ€™s something about tonight
Something very special
Something about the way you move that thing
Something very special
Something about the way you lookinâ€™ at me
Something very special yeah
Something about tonight
Something very special (x2)Here we go..
Saari ki saari duniya bhula ke
Main tto tere naal nachna
Baby youâ€™re so sexy!Boy you could be my one and only
Main toh tere naal nachna
Then I see you lookinâ€™ on me
Aaja baat kar le dil ki
Hone lagenge afaaneYou know it so sing it
Now do your hands up and say
Disco Deewane
Aahaan ahaan
Ho Disco deewane
Aahaan ahaan
