Mercury sa tera pyaar
Mercury hoâ€sa tera pyaar
Mercury sa tera pyaar
Mercury hoâ€sa tera pyaar
Sar pe mere chadha hai aise tera bukhar
Mercury sa tera pyaar
Mercury hoâ€sa tera pyaar
Phir jaana aisi kya ruswai hai
Tu mere dard-e-dil ki dawai hai
Tu jo mile aaye qaraar
Majboori samjho na yaar
Mercury hoâ€sa tera pyaar
Phir jaana aisi kya ruswai hai
Tu mere dard-e-dil ki dawai hai
Tu jo mile aaye qaraar
Mercury sa tera pyaar
Mercury oâ€sa tera pyaar
Hey girl can I talk to you
Wanna tell you somethinâ€™™ what I wanna do
Everybody wanna be with you
be the one who loves you
Hey girl when I look at you
My knees go weak at the sight of you
Aye girl Iâ€™™m crazy about you
can leave the world just be with you
Honth mere thar thar kaanpe
Honthon ki teri garmi ha maange
Dhoop sa mera tapta badan
Zulf ki teri narmi hai maange
Tu mera hakeem hai haan
Mujhko tera marz huaa
Tu mera hakeem hai haan
Mujhko tera marz huaa
Tera ishq hi meri shifa hai
Phir jaana aisi kya ruswai hai
Tu mere dard-e-dil ki dawai hai
Tu jo mile aaye qaraar
Mercury sa tera pyaar
Mercury hoâ€sa tera pyaar
Do you have aâ€!
Mera ye haal kiya
Kyun mujhe behaal kiya
Jab koi sawaal kiya
Kyun nahi jawaab diya
Do you have aâ€!
Tell me now!
Do you have aâ€!
Tell me now!
Phir jaana aisi kya ruswai hai
Tu mere dard-e-dil ki dawai hai
Tu jo mile aaye qaraar
Mercury sa tera pyaar
Mercury hoâ€sa tera pyaar
Mercury sa tera pyaar
Mercury hoâ€sa tera pyaar.
