Mercury sa tera pyaar
Mercury hoâ€¦ sa tera pyaar (x2) Sar pe mere chadha hai aise tera bukhar
Mercury sa tera pyaar
Mercury hoâ€¦ sa tera pyaar Phir jaana aisi kya ruswaai hai
Tu mere dard-e-dil ki dawaai hai
Tu jo mile aaye qaraar
Majboori samjho na yaar
Mercury hoâ€¦ sa tera pyaar Phir jaana aisi kya ruswaai hai
Tu mere dard-e-dil ki dawaai hai
Tu jo mile aaye qaraar
Mercury sa tera pyaar
Mercury oâ€¦ sa tera pyaar Hey girl can I talk to you
Wanna tell you somethinâ€™ what I wanna do
Everybody wanna be with you
* be the one who loves you Hey girl when I look at you
My knees go weak at the sight of you
Aye girl Iâ€™m crazy about you
* can leave the world just be with you Honth mere thar thar kaanpe
Honth ki teri garmi ha maange
Dhoop sa mera tapta badan
Zulf ki teri narmi hai maange Tu mera hakeem hai haan
Mujhko tera marz huaa
Tu mera hakeem hai haan
Mujhko tera marz huaa
Tera ishq hi meri shifa hai Phir jaana aisi kya ruswaai hai
Tu mere dard-e-dil ki dawaai hai
Tu jo mile aaye qaraar
Mercury sa tera pyaar
Mercury hoâ€¦ sa tera pyaar Do you have aâ€¦ Mera ye haal kiya
Kyun mujhe behaal kiya
Jab koi sawaal kiya
Kyun nahi jawaab diya Do you have aâ€¦ Tell me now! Do you have aâ€¦ Tell me now! Phir jaana aisi kya ruswaai
hai
Tu mere dard-e-dil ki dawaai hai
Tu jo mile aaye qaraar Mercury sa tera pyaar
Mercury hoâ€¦ sa tera pyaar (x2)
