Oooâ€!ooâ€!
O thehri si sehmi si hai zindagi udne do
Behni nadi se thodi si nami chun.ne do
Khamosi sun.ne do
Khwabon ko bun.ne do
Hatheliyon pe likhi daastan badalne doHo ho ho oo hoâ€!
hmmâ€!Maddham si madhoshi
Dheemi si sargoshi
Sun sako tto suno dil ki taar
Yunhi milte raho baar baarHo kaisi seher hai ye kaisa asar hai bata
Bin jaane bin bole humko sabhi hai pata
Thoda sa dard hai
Saans bhi sard hai
Par tera aashiyaan mill gaya
Chahiye kya!
Ho ho ho oo hoâ€!
Simti-simti saundhi si hai dopahar
Bechainiyon mein doobi si hai ye leher
Chahiye chashni par hai koi kami
Ho sakoon jis jagah paya hai tumhe wahaan
Ho ho ho oo hoâ€!Baahon mein leke tumhe kuch na kuch bol de
Chahat ki nadiya mein chandi ka rath khol de
Aao naa saath do, mujhko parwaaz do
Koi meethi si kaano mein aawaaz doHo ho ho oow hoâ€!.
