Mohabbt banaye mohabbat mitaye  
Mohabbt kisi din khuda ban na jaye  
Mohabbat karam bhi mohabbat sitam bhi  
Mohabbat se majbur tum bhi ho hum bhi  
Thi ek sahjadi badi khubsurat  
Jami par utar aayi thi hur jannat  
Jawa jism mein so tarah ke najare  
Hasi mast aankho mein pighale sitare  
Thi ek sahjaadi  
Wo lamba sa kad wo lachakti si bahe  
Gunahgar karti thi nichhi nigahe  
Larajte jo the lab gulabi gulabi  
Patak dete the jam kitne sarabi  
Najar mein takaje labo par bahane  
Chali ho kisi ka mukaddar jagane  
Thi ek sahjaadi  
Achanak fakir ek nasibo ka mara  
Najar aa gaya jaise badal me tara  
Nigahe mili aarzu mushkuradi  
Mohabbat ne soi tamanna jaga di  
Thi ek sahjaadi  
Itna hase aakhir unke rona pada  
Dekho sitam milkar juda hona pada  
Itna hase aakhir unke rona pada  
Dekho sitam milkar juda hona pada  
Khwabo ki jannat lut gayi  
Rashte mein ulfat lut gayi  
Wo chandani rate gayi  
Rangin mulakate gayi  
Dusman jamana ho gaya  
Dil ka suku khona pada  
Itna hase aakhir unke rona pada  
Dekho sitam milkar juda hona pada  
Mohabbat ki duniya lut jane ke bad  
Wo dilruba shame haya jalne lagi  
Fariyaad mein katil hasi dhalne lagi  
Aankho se jadu ud gaya  
Najro ka nastar ud gaya  
Gesu paresha ho gaye  
Marne ke sama ho gaye  
Gesu paresha ho gaye  
Marne ke sama ho gaye  
Sine mein har dum aah ki  
Talwar si chalne lagi  
Wo dilruba shame haya jalne lagi  
Fariyaad mein katil hasi dhalne lagi  
Aur bechara sayar  
Wo majbur kismat se baji lagaye  
Lahu se chirage tamanna jalaye  
Mukalif hawaao se takra raha tha  
Andhere mein badhna chala ja raha tha  
Mohabbat ne jakhmi labo se dua di  
Liya jisne dil ja usi par gawa di  
Ghata khul gayi aasuo ki baras kar  
Use a gaya baras do din taras kar  
Thi ek sahjaadi.
