I havenâ€™t done enough for her
She says all the time
Its matter of the mind
Ram para ram para ra ra ra ra
I donâ€™t even know
I donâ€™t even think
I did mattered
I donâ€™t even think
I donâ€™t even think
I let go i let go right now
Secret is out now to see
I let go i let go right now
Secret is out nowA to see
I havenâ€™t done enough for her
She says all the time
Its matter of the mind
Ram para ram para ra ra ra ra
I donâ€™t even know
I donâ€™t even think
I did mattered
I donâ€™t even think
I donâ€™t even think
I let go i let go right now
Secret is out now to see
I let go i let go right now
Secret is out now to see.
