Ye jhijhakane, ye thithakane, ye lubhaane ki ada
Tu vohi hai, kah rahi hai
Sar jhukaane ki ada
Thumak, thumak
Thumak thumak thumak haay chali hai tu kidhar
Kab se teri kaatir, phirata main dar badar
Thumak thumak thumak haai chali hai tu kidhar
Mu chupaana, zulm dhaana
Aazamaana chhod de
Mil gaye dil, khil gaye dil
Ab sataana chhod de
Thumak
Thumak thumak thumak haay chali hai tu kidhar
Kab se teri kaatir, phirata main dar badar
Thumak thumak thumak haai chali hai tu kidhar
Tu hasin hai, naazani hai
Ye to hai dil ko yakin
Aankh uthaakar dekh dil bar
Kuchh bure ham bhi nahin
Thumak
Thumak thumak thumak haay chali hai tu kidhar
Kab se teri kaatir, phirata main dar badar
Thumak thumak thumak haai chali hai tu kidhar
Gunagunaati musakuraati, laut aai hai bahaar
Le gayi ji, ek kali, aur phuul laai hai bahaar
Thumak
Thumak thumak thumak haay chali hai tu kidhar
Kab se teri kaatir, phirata main dar badar
Thumak thumak thumak haai chali hai tu kidhar
Tu tu chali hai tu kidhar
