Tin taal par naach budhaape bachapan aur javaani ka  
Rang hazaaron magar zindagi ek bulabula paani ka  
Hari-bhari daali ko yuun hi patajhad mein lut jaana  
Hai  
Khila phuul jo aaj chaman mein kal usako murajhaana  
Hai  
Subah huyi aur katm fasaana shabanam ki zindagaani  
Ka  
Saari duniya ko hathiyaane muurakh inasaan daude re  
Do gaz dharati bane bichhauna uupar maati odhe re  
Mile dhuul mein sapan suhaana duniya ki sultaani ka  
Ek buund ki pyaas pyaar ki taal-talaiya rite re  
Badhi magar vo bujh na paayi janam hazaaron bite re  
De na paayein saat samundar ek bhi qatara paani ka
