Is lamhe ko rok doon
Ya main khud ko iss
Mein jhonk doon
Kya karoon kya
Karoon kya karoon
Is lamhe main
Kuchh bhi jaanu na
Naina naina laage
Naina naina laage
Naina naina laage
Naina naina laage
Tose naina jab se mile
Tose naina jab se mile
Ban gaye silsile
Tose naina jab se mile
Tose naina jab se mile
Ban gaye silsile
Tose naina jab se mile
O sud-budh khoyi
Hai khoyi maine
Haan jaan gavayi
Gavayi hai maine
Haan tujhko basaya hai
Dhadkan mein o saawre
O sud-budh khoyi
Hai khoyi maine
Haan jaan gavayi
Gavayi hai maine
Haan tujhko basaya hai
Dhadkan mein saawre
Tose naina jab se mile
Tose naina jab se mile
Ban gaye silsile
Khud ko khokar tujhko paya
Is tarah se mujhko jeena aaya
Khud ko khokar tujhko paya
Is tarah se mujhko jeena aaya
Teri lagan mein sab hai gavayaa
Is tarah se mujhko jeena aaya
Teri hansee meri khushi
Meri khushi tu hi
Tose naina jab se mile
Tose naina jab se mile
Ban gaye silsile
Naina naina laage
Naina naina laage
Naina naina laage
Naina naina laage.
