C mon&  
Maine raat mein aankh se baat private bol di  
Tune pyaar ki di hawaa zulfe maine khol di  
Kar le mujhko tu touch zara  
Slowly slowly feel me  
Aise ab mujhe na sataa  
I can t take it no more  
I just wanna feel your body  
Saanu kare ishaare touch my body  
Don t be shy my honey  
Saanu kare ishaare feel my body  
I just wanna feel your body  
Saanu kare ishaare touch my body  
Don t be shy my honey  
Saanu kare ishaare feel my body  
Feel my body..  
Go&  
Tere hothon pe hothon se  
Lab ka nishan chhod doon  
Kal subah tak baahon se  
Main bahein teri jod lun  
Tujhko josh mein dekh kar  
Crazy crazy ho gayi  
Mujhko khud mein tu de jagah  
I can t take it no more  
I just wanna feel your body  
Saanu kare ishaare touch my body  
Don t be shy my honey  
Saanu kare ishaare feel my body  
I just wanna feel your body  
Saanu kare ishaare touch my body  
Don t be shy my honey  
Saanu kare ishaare feel my body  
Hai nasha jo tujhme itna  
Saara pee loon aa aa  
Kuch bhi kar le main hoon teri  
Mujhe nahi aitraaz  
Maine raat mein aankh se baat private bol di  
Aise ab mujhe na sataa  
I can t take it no more  
I just wanna feel your body  
Saanu kare ishaare touch my body  
Don t be shy my honey  
Saanu kare ishaare feel my body  
I just wanna feel your body  
Saanu kare ishaare touch my body  
Don t be shy my honey  
Saanu kare ishaare feel my body.
