Ishk me lut gaya woh khajaana hu, me ek bita huwa jamaana hu
Mere dard pe roye khushiya, mai gumnam ek fasaana hu
Ek fasaana hu
Jaan ko meree chhin liya hai, dard yeh kaisa dil ko diya hai
Ya toh mujhko paas bula le, ya duniya ko aag laga de
Mai toh naa maangu kisee dar pe
Tu bula le, bula le, bula le, bula le
Mere mehbub se tu mila de
Tu bula le, bula le, bula le re rabba
Mere mehbub se tu mila de
Jina bas me nahee, marna bas me nahee
Jindagee hai yeh kaisee pachee
Mai hu tanaha yaha mai tadapata yaha
Woh tadapatee waha par akelee
Jag ke bandhan tod ke aau, iss duniya ko chhod ke aau
Mai toh naa maangu kisee dar pe
Tu bula le, bula le, bula le, bula le
Mere mehbub se tu mila de
Tu bula le, bula le, bula le re rabba
Mere mehbub se tu mila de
Pehale dil ko banaaya, pyaar usame basaaya
Phir mukkadar me likh dee judaayee
Kaise shikwa kare kya shikaayat kare
Teree kaise kare ham buraayee
Jivan me rang bharne waale, sip me motee rakhnewaale
Mai toh naa maangu kisee dar pe
Tu bula le, bula le, bula le, bula le
Mere mehbub se tu mila de
Tu bula le, bula le, bula le re rabba
Mere mehbub se tu mila de
Jaan ko meree chhin liya hai, dard yeh kaisa dil ko diya hai
Ya toh mujhko paas bula le, ya duniya ko aag laga de
Mai toh naa maangu kisee dar pe
Tu bula le, bula le, bula le, bula le
Mere mehbub se tu mila de
Tu bula le, bula le, bula le re rabba
Mere mehbub se tu mila de
