Yo are you ready
You wanna try me how
Let s go to the basement
Boy s got so phobia
Should be right
Cause it s just me and you
And four pillers of basement
Kudiye ji tere jaisi
Na maine dekhi
Tu hai gajab soniye
Ab tu ban ja meri
Seh na paaunga doori
Tu hai gajab soniye
Meri gall tu sunle soneya
I just can t be in this
Within the four pillers
Four pillers of basement
Four pillers of basement
Four pillers of basement
Four pillers of basement
Hathon me na aaun tere
Piche kyu pada hai mere
Aisa kyun kare hai mundeya
Samajh tu bhi isshare
Mujh se sabhi hai haare
Zidd kyun dhare hai mundeya
Meri gall tu sunle sonye
I just can t be in this
Within the four pillers
While it s day while it s night
Want to win this fight baby
Present in the losing side
Never back down till the end
Broken bones broken heart
Everthing is made
To breaken in the end
In my basement
Rabba ye aankhen teri
Jeene ki wajah hai meri
Tu hai mera rab sohniye
Dil ko karaar aaye
Mujhko jo tu mil jaye
Tujhmein hai sab soniye
Kasmein bhi khani hong
Rashmein nibhani hong
Jo tu chahe tu dil mundeyan
Teri main banungi raani
Hit hogi yeh kahani
Pyar tu nibhana mundeyan
Meri gall tu sunle soneya
I just can t be in this
Not within the four pillers
Four pillers of basement
Four pillers of basement
Four pillers of basement
Four pillers of basement
What you wanna mesh with me
Ha ha see you in the basement.
