Sa re ga re ga ma ga re sa
Sa re ga re ga
Zindagi mein aaj lamhe khaas aa gaye
Aate aate dono ke dil paas aa gaye Sa re ga re ga ma ga re sa
Sa re ga re ga
Zindagi mein aaj lamhe khaas aa gaye
Aate aate dono ke dil paas aa gaye Tere kadmon pe hi rasta thehra hain mera
Meri aankho ki toh manzil chehra hain tera Tu hi tu hai, Tu hi tu hai
jeene ki adaa
Tu hi tu hai, tu hi tu hai
saanson ki hawaa
Tu hi tu hai, tu hi tu hai
Khwabo ki duaa
Tu hi tu hai, tu hi tu hai
Ek mera Khuda..Ye dil seene mein tha par
Kabhi dhadka nahi tha
Ye teri aahatein isey de gayi dhadkan O kyun udti hai ye neendein
Kyun aankhon mein hai karwat
Hui pehli baar ye uljhan Tu hi tu hai! Sitaare bhi wahi hai
Wahi ye chand bhi hai
Magar ab roshni hai kal se kuch zyada
Ki teri hi nazar ne dikhaye lakh rung hain
Tere bin tha ye mausam kal talak saada Tu hi tu hai!
