Tu hai tu hai tu hai
Tu hai sirf tu hai
Tu hai tu hai tu hai
Tu hai sirf tu hai
Tu hai tu hai tu hai
Tu hai tu hai tu hai
Tujhse yeh nazar hate
Na tanha umr yeh kate na
Tujhse yeh nazar hate
Na tanha umr yeh kate na
Dil ki dhadkano mein sanam tu hai
I wanna swing with you dance
With you be with you forever
I wanna swing with you dance
With you be with you forever
Tu hai tu hai tu hai
Tu hai sirf tu hai
Tu hai tu hai tu hai
Tu hai tu hai tu hai
Tujhse yeh nazar hate na
Tanha umr yeh kate na
Tujhse yeh nazar hate na
Tanha umr yeh kate na
Dil ki dhadkano mein sanam tu hai
I wanna swing with you dance
With you be with you forever
I wanna swing with you dance
With you be with you forever
Palkon mein tu hai tu hai
Khwaabon mein tu hai tu hai
Aakhon mein chehra hai tera
Tu hai tu hai tu hai tu hai sirf tu hai
Honthon pe tu hai tu hai
Baaton mein tu hai tu hai
Yaadon pe pehra hai tera
Saanson mein tera khushboo hai
I wanna swing with you dance
With you be with you forever
I wanna swing with you dance
With you be with you forever
Tu hai tu hai tu hai
Tu hai sirf tu hai
Tujhse yeh nazar hate
Na tanha umr yeh kate na
Dil ki dhadkano mein sanam tu hai
I wanna swing with you dance
With you be with you forever
I wanna swing with you dance
With you be with you forever
Tu hai tu hai tu hai
Tu hai sirf tu hai
Rasta bhi tu hai tu hai
Manzil bhi tu hai tu hai
Manzil pe aa ke hum mile
Tu hai tu hai tu hai
Tu hai sirf tu hai
Dil chor tu hai tu hai
Woh dor tu hai tu hai
Jis se jure yeh silsile
Tera ishq hai ke jadoo hai
I wanna swing with you dance
With you be with you forever
I wanna swing with you dance
With you be with you forever
Tu hai tu hai tu hai
Tu hai sirf tu hai
Tu hai tu hai tu hai
Tu hai tu hai tu hai
Tujhse yeh nazar hate na
Tanha umr yeh kate na
Tujhse yeh nazar hate na
Tanha umr yeh kate na
Dil ki dhadkano mein sanam tu hai
I wanna swing with you dance
With you be with you forever
I wanna swing with you dance

With you be with you forever.
