Tu hi re, tu hi re tere bina mai kaise jiyu
Aaja re aaja re yu hi tadpa naa too mujhko
Jan re jan re inn sanso mein bas jaa too
Chand re chand re aaja dil ki jamin pe too
Chahat hai agar aake mujhse mil jaa too
Ya phir aisa kar dharti se mila de mujhko
Tu hi re tu hi re tere bina main kaise jiyu
Aja re aaja re yu hi tadpa naa too mujhko
Inn sanso kaa dekho tum
Pagalpan ke aaye nahi inhe chain
Mujhse yeh boli main raho mein
Teri apne bichha doon yeh nain
Inn unche pahado se jan de dunga
Main gar tum naa aayi kahi
Tum udhar jan ummid meri jo todo
Idhar yeh jahan chhodu main
Maut aur zindagi tere hatho mein de diya re
Aayi re aayi re le mai aayi hu tere liye
Toda re toda re har bandhan ko pyar ke liye
Jan re jan re aaja tujhme sama jau main
Dil re dil re teri sanso me bas jau main
Chahat hai agar aake mujhse mil jaa too
Ya phir aisa kar dharati se mila de mujhko
Tu hi re tu hi re tere bina mai kaise jiyu
Aja re aaja re yu hi tadpa naa too mujhko
Sau bar bulaye mai sau
Bar aau ik bar jo dil diya
Ik aankh royi toh duji bolo
Soyegi kaise bhala
Inn pyar ki raho mein patthar hain
Kitne unn sabko hi par kiya
Ik nadi hu main chahat bhari
Aaj milne sagar ko aayi yaha
Sajna sajna aaj aansu bhi mithe lage
Tu hi re tu hi re tere bina main kaise jiyu
Aaja re aaja re yu hi tadpa naa too mujhko
Jan re jan re inn sanso mein bas jaa too
Chand re chand re aaja dil ki jamin pe too
Pal pal pal pal wakt toh bita jaye re
Jara bol jara bol wakt se ke woh tham jaye re
Aayi re aayi re le main aayi hu tere liye
Jan re jan re aaja tujhme sama jau main.
