Aye tune mujhe  
Kiss kyon kiya  
Maine aapko  
Kiss kahan kiya  
Maine toh apne  
Mirror ko kiss kiya  
Awaaragi karta hoon  
Par mein awaara nahi  
Chhoda khulla dil ko magar  
Khudko bigada nahi  
Aisa lage tere bina  
Ab toh guzara nahi  
Kisika bhi hongaa na main  
Hua jo tumahara nahi  
Tu hi toh hai khayal mera  
Tu hi toh hai karar mera  
Jhootho nashe  
Jahan mein kabhi  
Tu hi toh hai khumaar mera  
Tu hi toh hai khayal mera  
Tu hi toh hai karar mera  
Jhootho nashe  
Jahan mein kabhi  
Tu hi toh hai khumaar mera  
Main aana tere aage  
Dekho dil haara hoon  
Main aana jaise bhi ho  
Jo bhi hoon tumahara hoon  
Jo teri chahatein  
Samete woh kinara hoon  
Kaise main yeh kahoon  
Main aana tere liye  
Zameen pe utaara hoon  
Main teri bholi bhaali  
Aankhon ka ishaara hoon  
Jo teri chahatein samete  
Woh kinara hoon  
Kaise main yeh kahoon  
Tu paas bhi zara zara  
Tu pyaas bhi zara zara  
Tu raaz bhi zara zara  
Main ho gaya hoon tera  
Tu hi toh hai khayal mera  
Tu hi toh hai karar mera  
Jhootho nashe  
Jahan mein kabhi  
Tu hi toh hai khumaar mera  
Zinda hoon tujhpe marke  
Bhoola sab kuch  
Tujhko padhke  
Kaise hai pyaar tera haan.
