Tu kya banaye bigdi kisi ki  
Tu kya kisi ke aansu pochhe  
Tu khud ban baitha hai patthar  
Ham kis hal me tu kya soche  
Tere piche duniya andhi  
Aur tu andho se andha  
Tu pathhar hai kya jane  
Tere dar pe chalta dhandha  
Tere piche duniya andhi  
Aur tu andho se andha  
Tu pathhar hai kya jane  
Tere dar pe chalta dhandha  
Rah rah pe baithe bhukhe  
Do roti ke lale hai  
Aur tere dar pe bhar bhar ke  
Log mithai dale hai  
Jo pinjre me hai bandi  
Woh kaise ude parinde  
Tu pathhar hai kya jane  
Tere dar pe chalta dhandha  
Jo aankho pe bandhe patti  
Wohi dor sambhale hai  
Do pato ke beech sada hi  
Piste bhole bhale hai  
Ye duniya hai bajari  
Yaha moh bike aur banda  
Tu pathhar hai kya jane  
Tere dar pe chalta dhandha  
Rabba mere rabba rabba  
Rabba mere rabba  
Rabba mere rabba mere rabba  
Ek chehre pe hai kahi chehre  
Log nakabowale hai  
Sidhi chal chale na koi  
Bas chaalo pe chale hai  
Par padta bari bari  
Ye bina hath ka danda  
Tu pathhar hai kya jane  
Tere dar pe chalta dhandha  
Rabba mere rabba rabba  
Rabba mere rabba  
Rabba mere rabba mere rabba
