Kehate hai na kabhi na kabhi, kahin na kahin kisise pyaar jarur hota
Koi na koi, kahin na kahin kisike liye jarur bana hota hai
Dil me pyar, pyar ki chahat aur wahi chaahat banati hai dil ki numaisht
Tu mere dil ki pehali khwaahish, tu mere sapano ka jahaan
Haan tu mere khaabon ki manjil hai, mere armaano ki daastan
Mehfuz rakhunga palakon mein inn lamahon ke yeh silsile
Har pal teri dilbar teri yaad mein baitha rahunga tere khaab mein
Fariyaad karati hai jindagi, aawaaz karati yeh dillagi
Umeed ka inteha has has na banake reh jaaye
Dil mein base ho tum, najaron mein tum
Meri aarju ki gehrayiyon mein tum
Baahon ke darmiya saanson ne kuchh kaha
Yaadon ki daastan abbb kar rahi hai bayaan
Chhod na jaana mujhe manjil ki raah pe
Meri manjil toh hai dil ki khwaahish
Tu mere dil ki pehali khwaahish, tu mere sapano ka jahaan
Haan betaab dil kehta hai, mere dil mein aa bas ja
Khaamosh si yeh duwa jaane kya kya kar jaaye
Madhosh si yeh fiza baahon mein apne bulaaye
?? aankhein pighal gaye, ehssaas rangon mein khul gaye
Saanson ko manjil mil gayi, baaton ko manjil bata de
Tum meri ho, sirf meri, meri bandagi, meri ibaadat
Aur iss ibaadat ki roshani mein nazar aa raha hai tumhaara chehara
Chehara jo meri duwaao mein bas chuka hai
Aur abb tum ban chuki ho meri khwaahish
Tu mere dil ki pehali khwaahish, tu mere sapano ka jahaan
Haan tu mere khaabon ki manjil hai, mere armaano ki daastan
Tu mere khaabon ki manjil hai
Mere armaano ki daastan
