Tu mile dil khile
Aur jine ko kya chahiye
Tu mile dil khile
Aur jine ko kya chahiye
Na ho tu udas tere pas pas
Main rahunga zindagi bhar
Na ho tu udas tere pas pas
Main rahunga zindagi bhar
Sare sansar ka pyar maine
Tujhi me paya
Tu mile dil khile aur
Jine ko kya chahiye
Tu mile dil khile aur
Jine ko kya chahiye
Chanda tujhe dekhane
Ko nikalaa karta hai
Aaina bhi o didar ko tarasa karta hai
Itani hasi koi nahi
Itani hasi koi nahi
Husna dono jaha ka ek tujhme
Simat ke aaya
Tu mile dil khile aur
Jine ko kya chahiye
Tu mile dil khile aur
Jine ko kya chahiye
Darling, every breath you take
Every move you make
I will be there
What will i do without you
I want to love you
Forever and ever and ever
Pyar kabhi marta nahi
Ham tu marate hai
Hote hai vo log amar
Pyar jo karate hai
Jitni ada utani vafa
Jitni ada utani vafa
Ik nazar pyar se dekh lo
Phir se zindaa karado
Tu mile dil khile
Aur jine ko kya chahiye
Tu mile dil khile
Aur jine ko kya chahiye
Na ho tu udas tere pas pas
Main rahunga zindagi bhar
Na ho tu udas tere pas pas
Main rahunga zindagi bhar
Sare sansar ka pyar maine
Tujhi mein paya
Tu mile dil khile
Aur jine ko kya chahiye
Tu mile dil khile
Aur jine ko kya chahiye.
