Kaliya phool sitare nazare
Lahre mauje toofa kinare
Khumar bahar singar gulzar
Khumar bahar singar gulzar
Kayi bar tune dekhe honge sare
Tune dunia dekhi hai
Zamana dekha hoga
Apno se mile hoga
Begana dekha hoga
Itna kuch dekhne ke bad
Main dawe se bata sakti hu
Jindagi bhar nahi dekha hoga
Jo main tumhe dikha sakti hu
Tune jalwe nahi dekhe
Tune jalwe nahi dekhe
Jalal nahi dekha
Tune jalwe nahi dekhe
Jalal nahi dekha
Tune jalwe nahi dekhe
Jalal nahi dekha
Tune jalwe nahi dekhe
Jalal nahi dekha
Tune jawani ka chadta hua
Sal nahi dekha
Tune jawani ka chadta hua
Sal nahi dekha
Tune jalwe nahi dekhe
Ye jawaniya dilo ki raniya
Husn ki rawaniya meharbaniya
Or badgumaniya dekhi hai
Razo nayaz adao naz
Nazo andaz banda nawaz
Sokhiya mastiya gulfasadiya
Or pareshaniya dekhi hai
In hasino pe nazamino pe
Mahjabino pe dil nashino pe
Husn ke nagino pe
Ab bhi kurban hu mainn
Are sath sal ki umar hai lekin
Sath sal ki umar hai lekin
Lagta to ab bhi jawan hu mainn
Ho tune abhi tak mera
To kamal nahi dekha
Ho tune abhi tak mera
To kamal nahi dekha
Ho tune abhi tak mera
To kamal nahi dekha
Tune abhi tak mera
To kamal nahi dekha
Kahte hai aisa shikari
Wo jal nahi dekha
Kaise fekta shikari hai
Wo jal nahi dekha
Tune abhi tak mera
Are tu jal ki bat karta hai
Yaha julfo ki girah me bandh ke
Tute hue dil bhi jod diye hai
Is tikhi najar ke shishe se
Pathar ke kaleje tod diye hai
Tu to abhi nadan hai anjan hai
Ik chota sa insan hai
Kitne farishte mainne to
Is dar se mod diye hai
Dikha ke apne husn ka
Ek chota sa karishma
Maykhano me biya bano mein
Regishtano me or virano mein
Tadapte chod diye hai
Tu kis bharam me pada hai jani
Tu kis bharam me pada hai jani
Mera ishk na koi mamuli hai
Yaha dilwale kayi bhatak rahe
Are tu kis khet ki muli hai
Tune abhi tak mera
To kamal nahi dekha
Tune abhi tak mera

To kamal nahi dekha
 Tune aashiko ka hota
 Bura hal nahi dekha
 Tune aashiko ka hota
 Bura hal nahi dekha
 Kaise fekta shikari hai
 Wo jal nahi dekha
 Tune jalwe nahi dekhe
 Jafal nahi dekha
 Tune jalwe
 Meri bat ko jar gaur se sun
 Hath ki ungliyo pe ek ek ka nam
 Ye bhul jaye to aap
 Ginte rahiyega huzar
 Mumtaz shanti se
 Leke mumtaz tak
 Leela chitnit swarn lata
 Devika rani kursid mehtab te
 Wanmala tak
 Sunriya nalini narigi nanda
 Nirupa neetu nutan nur jaha
 Are meena neena reena leena
 Meena neena reena leena
 Maridula jai bahaduri se
 Jai mala tak
 Nadim se shyara tak
 Geeta se yogita tak
 Hema malini padmini
 Ragini rashi rekha rehana
 Sultana mala china
 Se vayjanti mala tak
 Sharmila shabana shakila maltavi
 Parveen naveen jeenat aman
 Se madhubala tak
 Tane shikwe pyar mohabbat
 Chahat jhagde ladai hi nahi ki
 Inse milke nam kiya hai nam
 Suku shyama helan padma
 Jai shree arun bindu ke sath
 Nacha gaya piya khaya
 Nacha gaya piya khaya
 Utha baitha chala fira hi nahi
 Sabke sath mainne kam kiya hai
 Ranjhe majnu farhad miya ki
 Hu bahu copy hu main
 Bhul kar bhi naya
 Na samjh mujhko
 Barso na purana pati hu main
 Chalish sal rahe heero
 Maa ka lal nahi dekha
 Chalish sal rahe heero
 Maa ka lal nahi dekha
 Chalish sal rahe heero
 Maa ka lal nahi dekha
 Chalish sal rahe heero
 Maa ka lal nahi dekha
 Kaise faikta shikari hai
 Wo jal nahi dekha
 Kaise faikta shikari hai
 Wo jal nahi dekha
 Main noto wala tera
 Wo rumal nahi dekha
 Tere pas mainne abhi tak
 Mal nahi dekha
 Tu pahle note dikha mal to la
 Hui juban ha meri jan
 Sauda pakka bilkul pakka
 Fir kyu deri pahal ho teri
 O ho jikar na karna
 Tum fikar na karna
 Koi aa na jaye tu kyu ghabraye
 Ho chodo chodo
 Tum bat na modo
 Tum bat batao zara pas to aao
 Pahle tum na ji tum
 Pahle tum pahle tum
 Pahal pahal me hum dono ka
 Mal kahi na ho jaye gum
 Tum kahte ho pahle tum
 Main kahta hu pahle tum
 Hum tum chodo
 Mal nikale sath sath
 Mal nikale sath sath
 Sath sath ye hui na bat.
