Tufan tufan tufan tufan tufan
Abhi aaya nahi hai jo abhi aaya huva hai jo
Abhi aanewala hai jo use tufan kehte hai
Khuda ki shan kehte hai
Koi paigam aaya hai ye tere naam aaya hai
Bahot nazdik wo jalim tera anjam aaya hai
Nahi pehachanta kuchh bhi nahi jo janata kuchh bhi
Nahi jo manata kuchh bhi use nadan kehte hai
Tujhe shaitan kehte hai
Badalne lag gaya hai rang mehafil ka sambhal ja tu
Hawaye chal padi hai tej chal bachakar nikal ja tu
Nahi to doob jayega nahi to toot jayega
Use aana hai aayega jise tufan kehte hai
Khuda ki shan kehte hai
Abhi aaya nahi hai jo abhi aaya huva hai jo
Abhi aanewala hai jo use tufan kehte hai
Khuda ki shan kehte hai
Likhe jate hai sare faisale to aasamano par
Wahi se bijaliya girati hai aise beimano par
Jo hona hai wahi hoga nahi hona nahi hoga
Ye hona hai yahi hoga ye sab insan kehte hai
Tujhe shaitan kehate hai
Abhi aaya nahi hai jo abhi aaya huva hai jo
Abhi aanewala hai jo use tufan kehte hai
Khuda ki shan kehte hai
