O priya, jab jab tu mere saamne aati hai
Mere dil mein ik ajeeb si halchal hone lagti hai
Tu mera pyaar, meri pooja, meri zindagi hai
Aa dekh, dekh tu mera paagalpan
Ki main har chehre main tera chehra talaash karta hoon
Yeh mujhe kya ho gaya hai
Kya kahoon?, bas tujhe choone ko dil kare
Tujhe paane ko dil kare, bas
Tujhe choone ko dil kare, tujhe paane ko dil kare -2
Jo baat mere dil mein chhupi
Jo baat mere dil mein chhupi woh bataane ko dil kare
O priya, o priya, priya, o priya
Tujhe choone ko dil kare, tujhe paane ko dil kare
Yeh roop mehka yeh zulf bikhri yeh dil lubhana tera
Madhosh mujhko karne laga hai yun muskurana tera
Yun muskurana tera
Teri dhadkan mein aaj to bas jaane ko dil kare
Jaz baat dil ke phir aaj badle mausam hai rangon bhara
Phoolon ke jaise khilte badan ko aa choom loon main zara
Aa choom loon main zara
Tujhe choone ko dil kare, tujhe paane ko dil kare -2
Jo baat mere dil mein chhupi
Jo baat mere dil mein chhupi woh bataane ko dil kare
O priya, o priya, priya, o priya
