Tujhe gulaab kiya pesh  
Tujhe gulaab kiya pesh, ik bahaana tha  
Ke apana haath tere haath se lagaana tha  
Ke apana haath tere haath se lagaana tha  
Bade sharir ho  
Bade sharir ho, kyun aisi baat karte ho  
Bade sharir ho kyun aisi baat karte ho  
Tumhaari aankhon se khud ko jara bachaana tha  
Tumhaari aankhon se khud ko jara bachaana tha  
Ke apana haath tere haath se lagaana tha  
Lo ra le laay laay laay laay laagashta  
O jaanu bye bye bye bye baahashta  
Lo ra le laay laay laay laay laagashta  
O jaanu bye bye bye bye baahashta  
Tu meri aankh se  
Tu meri aankh se bachake kaha kaha jaati  
Tu meri aankh se bachake kaha kaha jaati  
Ke mere khaab ka kaajal, tujhe sajaana tha  
Ke mere khaab ka kaajal, tujhe sajaana tha  
Tumhaari aankhon se khud ko jara bachaana tha  
Lo ra le laay laay laay laay laagashta  
O jaanu bye bye bye bye baahashta  
Lo ra le laay laay laay laay laagashta  
O jaanu bye bye bye bye baahashta  
Main intjaar ki saahil pe kabse baithi hu  
Main intjaar ki saahil pe kabse baithi hu  
Tumhi toh ho jise dil mein mujhe basaana tha

O jaanu bye bye bye bye baahashta  
Lo ra le laay laay laay laay laagashta  
O jaanu bye bye bye bye baahashta  
Sulag raha hoon muhabbat ki aag mein kab se  
Sulag raha hoon muhabbat ki aag mein kab se  
Ke tere honton se honton ko yuun jalaana tha
