Aa aa aa aa.....
Hmm hmm hmm hmm..... aa ha ha aa ha ha....
Waah re waah baat hai, tu mere saath hai
Taaron ki raat hai, pyaar ki baarat hai
Tujhe maanga tha, tujhe paaya hai - 3
Abb jaake raam pe yakin aaya hai
Raam raam raam raam raam mere raam raam raam raam raam
Tujhe maanga tha, tujhe paaya hai - 3
Abb jaake raam pe yakin aaya hai
Raam raam raam raam raam mere raam raam raam raam raam
Sadiyon se thi apani duri, din the adhure raat adhuri
Janmo se hoon tera deewaana, jinda rehana tha bahaana
Saajan jab tu aur kahin tha
Iss duniya mein kuchh bhi nahi tha, kuchh bhi nahi tha
Jis din apana pyaar bana hai
Uss din se sansaar bana hai
Mujhe chhod na dena raam kasam, dil tod na dena raam kasam
Haathon ki lakiron mein tujhako paaya hai
Abb jaake raam pe yakin aaya hai
Raam raam raam raam raam mere raam raam raam raam raam
Tujhe maanga tha, tujhe paaya hai
Abb jaake raam pe yakin aaya hai
Waah re waah baat hai, tu mere saath hai
Haay taaron ki raat hai, pyaar ki baarat hai
Indradhanush angdaayi hai teri, chaand nahi parchhaayi hai teri
Jab tak chamKenge do taare, duniya legi naam hamaare
Pyaar ki dhun pe gaata rahunga
Ban ban ke raam aata rahuga aata rahuga
Chhodake saarerang chalungi
Jungle jungle sang chalungi
Tu raam hai mera raam Kasam, tu sita meri raam kasam
Dhup hoon mein tu mera saaya hai
Abb jaake raam pe yakin aaya hai
Tujhe maanga tha, tujhe paaya hai
Abb jaake raam pe yakin aaya hai
Raam raam raam raam raam mere raam raam raam raam raam
Aa aa aa aa.....
