Tujhse bichhad ke zindaa hai,
Tujhse bichhad ke zindaa hai
Jaan bahut sharminda hai
Jaan bahut sharminda hai
Tujhse bichhad ke zindaa hai,
Tujhse bichhad ke zindaa hai
Jaan bahut sharminda hai
Jaan bahut sharminda hai
Tapti dopahri mein teri
Aahat dil mein ati thi
Tapti dopahri mein teri
Aahat dil mein ati thi
Baris se ek dil ke andar
Rimjim rag sunati thi
Ab ham or tapti dopahri
Beech me yade zindaa hai
Jaan bahut sharminda hai
Jaan bahut sharminda hai
Sham ko aksar chat pe
Aakar dubta suraj takti thi
Sham ko aksar chat pe
Aakar dubta suraj takti thi
To uski lali janam
Hath ki mehandi lagti thi
Mehandi tu naraj na hona
Ham tujhse sharminda hai
Jaan bahut sharminda hai
Jaan bahut sharminda hai
Ham rahte the tujhse lipat kar
To kitna sach lagta tha
Ham rahte the tujhse lipat kar
To kitna sach lagta tha
Sard andheri raat me janam
Ek diya sa jalta tha
Ab teri virah ki raate
Nisle ki re tabinda hai
Jaan bahut sharminda hai
Jaan bahut sharminda hai
Tujhse bichhad ke zindaa hai,
Tujhse bichhad ke zindaa hai
Jaan bahut sarmanda hai,
Jaan bahut sharminda hai.
