Tere charno se lipti rahu  
Teri baho me simti rahu  
Tujhko nahlau sawaru sajav  
Hatho se apne main tujhko khilau  
Tukur tukur dekha karu  
Tukur tukur dekha karu piya ho piya  
Tere charno se lipti rahu  
Teri baho me simti rahu  
Meri har kami tune kar di hai puri  
Tere bina thi meri jindgi adhuri  
Sah na sakunga teri ek pal bhi duri  
Palko pe bithau tu jo ruthe to manau  
Ek tere sang main to sare sukh pau  
Tukur tukur dekha karu  
Tukur tukur dekha karu priya ho priya  
Tere mukhade pe khoya rahu  
Teri baho me soya rahu  
Tera dil bahlau tujhe has ke hasau  
Tera har sapna sach kar ke dikhau  
Tuku tukur dekha karu  
Tukur tukur dekha karu priya ho priya  
Gori gori baho ka dungii sarhana  
Jab tak jau piya paas chale aana  
Tumpe luta dungii pyar ka khajana  
Seje aa sajav gesu bichhau  
Geet mithe ga ke main tumko sulau  
Tukur tukur dekha karu  
Tukur tukur dekha karu piya ho piya  
Tere charno se lipti rahu  
Teri baho me simti rahu  
Tujhko nahlau sawaru sajav  
Hatho se apne main tujhko khilau  
Tukur tukur dekha karu  
Tukur tukur dekha karu piya ho piya
