Hey hey hey hey, aa aa aa aa.....
La la la la aa aa.....
Mai agar samne aa bhee jaya karu
Lajami hai ke tum mujhse parda karo
Apni shadee ke din abb nahee dur hai
Mai bhee tadpa karu, tum bhee tadpa karo
Badee mushkil hai, yeh meraa dil hai
Tum hee kaho kaise mai chup rahu
Tum agar samne aa bhee jaya karu
Lajami hai ke mai tumse parda karo
Apni shadee ke din abb nahee dur hai
Mai bhee tadpa karu, tum bhee tadpa karo
Badee mushkil hai, yeh meraa dil hai
Tum hee kaho kaise mai chup rahu
Tum agar samne aa bhee jaya karu
Lajami hai ke mai tumse parda karo
Hey hey eh hey, aa aa la la la la.....
Satane ke manane ke, yeh din hai aajmane ke
Jara samjha karo dilbar, tumhe meree kasam
Yehi meree hai majburee, sehi jaye naa abb duree
Meraa kya hal hai kaise batau mai sanam
Jamin hogee gagan hoga, teraa meraa milan hoga
Mai agar tumse najrein milaya karu
Lajami hai ke tum mujhse parda karo
Aa aa aa aa aa aa..... la la la la aa aa aa
Mai duneeya se chala jau, kabhee naa lautke aau
Karogee kya akele tum, batao dilruba
Mai rab se chheen laungee, tujhe apna banaungee
Chalegee sans jab tak yeh naa hongee ham juda
Naa apni yeh kasam tute, jo rab ruthe toh rab ruthe
Mai agar tumko milne bulaya karu
Lajami hai ke tum mujhse parda karo
Apni shadee ke din abb nahee dur hai
Mai bhee tadpa karu, tum bhee tadpa karo
Badee mushkil hai, yeh meraa dil hai
Tum hee kaho kaise mai chup rahu
Mai agar samne aa bhee jaya karu
Lajami hai ke tum mujhse parda karo
