Tum bhi dhundhana main bhi dhundunga
Meri khoyi raat ko, bhuli bisari baat ko
Tumako main jyaada abb aur aur main kya kahun
Tum bhi dhundhana main bhi dhundunga
Meri bikhari nind ko, meri khoyi yaad ko
Tumako main jyaada abb aur aur main kya kahun
Halake halake gum ho jaayunga, iss pal mein gum sum kho jaayunga
Tum bhi dhundhana main bhi dhundunga
Jab bhi main paas raha sang saath tum mere the
Jab bhi main dur raha sang saath tum mere the
Lekin abb main niakala hoon jis ag jag ki khoj mein
Usame saath na koyi bas jaayunga khaamosh main
Har ik taraf dekha, maine har ik taraf dhundha
Magar sirf bas har ik taraf paaaya
