Main hoon aur mere khayaalaat mere saamane hain
Tere yaadon ke silsile hain mere aankhon mein
Tum jo muskaate the dil behal jaata tha
Tum kareeb aate the
Main behak jaata tha
Tum nahi toh nahi koi bhi hamara
Tum jo muskaate the dil behal jaata tha
Tum nahi toh nahi koi bhi hamara
Tumko maanga tha sanam duaon ki tarah
Tum chale aaye sanam haadhason ki tarah
Chaand aur chaandani sa milan hamara
Bitch gaya raah mein dilnashi nazara
Ho paayalen chudiyaaon madbhari raaten
Kaante lab tere jheel si aankhen
Nit subha uthh jana pooja ghar se aana
Aarti saad ke bindiya ka sitara
Tum jo muskaate the dil behal jaata tha
Tum nahi toh nahi koi bhi hamara
Har woh suhanapan meri jaagir ho gaya
Tu chahe na chahe meri taqdeer ho gaya
Yaad har shaam hain dariyaa ke kinare
Pyaar ke haai woh kitne din the pyaare
Mera har geet par kamyabi paana
Woh teri thi duaan aaj maine jaana
Mere har mansube aansuon mein doobe
Aa bhi jaa meet mere dil ne hain pukara
Tum jo muskaate the dil behal jaata tha
Tum nahi toh nahi koi bhi hamara
