Tum pas ho jab mere mosam bhi nikhar jaye
Tum pas ho jab mere mosam bhi nikhar jaye
Ek pyar ubhar aaye takdir sawar jaye
Tum pas ho jab mere
Puchha jo kisi ne kon hu mai
To chand ne aakar samjhaya
Ye bhi ek chand hai meri tarha
Suraj ne hai jisko chmakaya
Tum suraj ho mere mai tera chand sanam
Mai pyar ka hu ek dil
Tum dil ki ho dhadkan tum pas ho jab mere
Aankho me tum hi tum chhaye kase kuch aur najar aaye
Soyi ho ya jagi ye aankhe tu hi aaye tu hi jaye
Tu hi aaye tu hi jaye
Anjane rahi ko tune manjil dikhalayi
Phachan ho tum meri ho mere hum rahi
Tum pas ho jab mere
Aa pas to aa pas aake sun le jara
Har dhadkan bole naam tera
Ye naam hi ab puja meri puja har pal ae jane wafa
Puja har pal ae jane wafa
Hai pyar agar sola to pyar hai shabanam bhi
Jo dard hai pyar agar to pyar hai marham bhi
Tum pas ho jab mere mosam bhi nikhar jaye
Ek pyar ubhar aaye takdir sawar jaye
Tum pas ho jab mere
