Tum puchhate ho ishk bhala hai ke nahee hai
Kya jaane tumhe khaufe khuda hai ke nahee hai
Jine ka hunar sabako sikhaata hai yahee ishk
Insaan ko insaan banaata hai yahee ishk
Bande ko khuda karake dikhata hai yahee ishk
Iss ishk ke tauhin kata hai ke nahee hai
Maana hai badee dard bharee ishk kee rudaad
Hotee nahee mitaakar bhee mohabbat kabhee barbaad
Har daur me majanu huye, har daur me farhaad
Har saaj me aaj unakee sada hai ke nahee hai
Ghum phulane phalane ka bhulaakar kabhee dekho
Sar ishk ke kadamo pe jhukaakar kabhee dekho
Gharbaar mohabbat me lutaakar kabhee dekho
Khone me bhee paane ka maja hai ke nahee hai
Jab ho hee gaya pyaar toh sansaar ka darr kya
Hai kaun bhala kaun bura, isakee khabar kya
Dil me na utar jaaye toh ulfat kee najar kya
Ham dil ke pujaree hain pata hai ke nahee hai
