Tum saaath ho kya baat hai
Kitani hasin chaahat ki yeh shuruwaat hai
Kaise kahu kyun aajkal
Behake huye dil ke mere jaiibaat hai
Jamana yeh roke, na abb khuda khuda khuda...
Kabhi milake honge, na hum juda juda juda...
Tujhse mera ha aa aa..., waada raha ha aa aa....
Pehale kabhi dhadaka na tha, tumse mila to dil gaya
Raate khili subha hasin, saath tera jo mil gaya
Sach main kahu tere siva, meri koyi manjil nahi
Mujhko yakin ai humsafar, koyi safar muskhil nahi
Khud ko sanam roka magar
Bas mein nahi mann ke mere haalaat hai
Kaise kahu kyun aajkal
Behake huye dil ke mere jaiibaat hai
Tere kadam jaise chale, phichhe tere main chal padu
Jis raah pe chalate huye, tu jo mude main bhi mudu
Aankhon ne jo dekhe the woh, khaabo ki tum taabir ho
Haatho mein hai likhi mere, tum woh haseen taqdir ho
Vaada kiya khai kasam
Chhutega na haatho mein jo yeh haath hai
Kaise kahu kyun aajkal
Behake huye dil ke mere jaiibaat hai
Jamana yeh roke, na abb khuda khuda khuda...
Kabhi milake honge, na hum juda juda juda...
Tujhse mera ha aa aa..., waada raha ha aa aa....
