Tum sochatee ho shayad mai tumko chhod dunga
Wado ko tod dunga kasamo ko tod dunga
Lekin kasam khuda kee aisa nahee karunga
Mai tumko chahata hu, mai dil se kah raha hu
Tum bewafa nahee ho duneeya se darr rahee hu
Mar mar ke jee rahee hu, jee jee ke mar rahee hu
Jitana hai mere bas me, utana mai kar rahee hu
Mai tumko chaahati hu, tumko pujati hu
Mai dil se kah rahee hu
Pyar hota nahee dar dar ke, isame jinda hain log mar mar ke
Isame badnamiya bhee hotee hain, isame dil bhee jalana padata hai
Bevajah muskarana padata hai, muskarayunga dil jalayunga
Rasme ulfat magar nibhayunga, kyon ki mai tumko chahata hu
Janati hu wafa ke afasane maine dekhe hain jalate parwane
Jo mohabbat me khak hote hain unake jaiyat pak hote hain
Yad rakhana yeh meraa vada hai jo teraa woh meraa irada hai
Rasme ulfat sanam nibhayungi, jan par apni khel jayungi
Kyon ki mai tumko chahati hu
Mujhko araman nahee hai daulat kaa, mai hu pyasa teree mohabbat kaa
Pehale shikaya tha badanasibi kaa, abb nahee duhkh mujhe garibee kaa
Teraa kandha hai aur meraa sar hai, teree aankhon me abb meraa ghar hai
Aaj tan mann me tum sama jao, yah tumhara hai ghar basa jao
Kyon ki mai tumko chahati hu
