Tum tata ho ya birla, raho carter road ya kurla  
Par mujhabe tumhaara dil hai, meraa dil bhee polly hill hai  
Tum mamata ho ya madonna, pahano chaandee ya sona  
Tere gaalo pe jo til hai, meree jaan woh meraa dil hai  
Tum tata ho...  
Maine yeh soch liya hai mai banungee usakee rani  
Naa english ho naa rusee ho ladaka hindustani  
Ho teree ungali me pahana du mai heere kee anguthee  
Chal kar lete hain mangani phir chalenge dono ooti  
Tum tata ho...  
Sine se laga le bulbul london kee sair kara du  
Chal paris kee galiyon me eifiel tower dikhala du  
O mai ladkee india waalee mujhe tajamahal dikhala de  
Tu lal kile kee lali se meree chunaree rangava de  
Ai tum mamata ho...
