Tumako dekha toh samajh mein aaya
Log kyun but ko khuda -2 maanate hai
But mein butgar ki jhalak hoti hai
Isako chhukar use pehchaanate hai
Pehale anjaan the abb jaanate hai
Tumako dekha toh samajh mein aaya
Tumako dekha toh yeh maalum huwa, log kyun ishq mein deewaane bane
Taa; chhode gaye aur takht lute, aise farhaad ke afsaane bane
Pehale anjaan the abb jaanate hai, log kyun but ko khuda maanate hai
Tumako dekha toh samajh mein aaya
Tumako dekha toh yeh ehsaas huwa, aise but bhi hai jo lab kholate hai
Jinaki angadaayi par tolati hai, jinake shaadaab badan bolate hai
Pehale anjaan the abb jaanate hai, log kyun but ko khuda maanate hai
Tumako dekha toh samajh mein aaya
Husn ke jalwaaye rangin mein khuda hota hai
Husn ke saamane sajada bhi rawa hota hai
Dil-e-ulfat mein yahin rasm chali aayi hai
Log ise kufrr bhi kehate ho toh kya hota hai
Pehale anjaan the abb jaanate hai, log kyun but ko khuda maanate hai
Tumako dekha toh samajh mein aaya
