Tumko jo dekhoo, mai palke bichao  
Raaho me teri, ye duniya sajaoo  
Tumse hi milke, umange jagi hai  
Har pal mahekaayein, han tu wahi hai  
Har lamha chahata hoo duniya se maangta hoo  
Sunle meri ye intija meri bahon ke sahare  
Vo pal jo sang gujaare baaho me meri aa bhi ja  
Ulfat ki raaho me tu hi aaye nazar  
Khushiyo ka mausam hai tujhse oo humsafar  
Inn baato me, din raato me  
Har pal hai ye chahat ka asar  
Umeedo ke safar me tujhe dhoonu har nazar me  
Sunle meri ye intija meri bahon ke sahare  
Vo pal jo sang gujaare baaho me meri aa bhi ja  
Chaaya ye mujhpe, kesa ye asar hai  
Yaado me teri, aab mera basar hai  
Pheli mahoobat ka ehsaas tu hai  
Khwabo me aaye, han tu wahi hai  
Har lamha chahata hoo duniya se maangta hoo  
Sunle meri ye intija meri baho ke sahare  
Vo pal jo sang gujaare baahon me meri aa bhi ja
