Ab se koi khushi nahi
Jiski tum wajah nahi
Ab se koi din nahi
Jiski tum subah nahi
Ab se koi baat nahi
Jo tumse na hoga shuru
Ab se koi raah nahi
Jo tum sang main na mudhoon
Abhi ke abhi yeh ho gaya yakin
Yeh zindagi meri ho gayi teri
Abhi ke abhi yeh ho gaya yakin
Yeh zindagi meri ho gayi teri
Tumse hi tumse, har baat, har baat hai
Jab tum ho saath
Tumse hi tumse, har baat, har baat hain
Jab tum ho saath
I wait for a sign so
I know your mind everyday
I look in the mirror and
I see your face
The walls break down, down
When you smile at me
And the world's much
Brighter than the one I see.
As I wait for a sign so
I know your mind everyday
I look in the mirror and
I see your face
The walls break down, down
When you smile at me
And the world's much
Brighter than the one I see.
Sayaa, ban ke tera sayaa
Chaloonga sang tere
Hai tanha tu nahi
Payaa, abhi dhoond payaa
Tu jisme muskara de
Woh lamha kyun nahi
Aa thamloon tujhe ki thokrein mile
Jo zindagi ki raah mein
Chhupa loon dhoop se jahan ki
Main le loon aa tujhe panaah mein
Abhi ke abhi yeh ho gaya yakin
Yeh zindagi meri ho gayi teri
Abhi ke abhi yeh ho gaya yakin
Yeh zindagi meri ho gayi teri
Tumse hi tumse, har baat, har baat hai
Jab tum ho saath
Tumse hi tumse, har baat, har baat hain
Jab tum ho saath
Anjaana tha ehmiyat se
Teri yaar mera guzra kal
Kab jaana tha tere vaaste hi
Aaj se hoga har pal
Main karta hoon yeh ilteja
Phir se jine sikhle zara
Abhi ke abhi yeh ho gaya yakin
Yeh zindagi meri ho gayi teri
Abhi ke abhi yeh ho gaya yakin
Yeh zindagi meri ho gayi teri
Tumse hi tumse, har baat, har baat hai
Jab tum ho saath
Tumse hi tumse, har baat, har baat hain
Jab tum ho saath
I wait for a sign so
I know your mind everyday
I look in the mirror and
I see your face
The walls break down, down
When you smile at me
And the world's much brighter
Than the one I see.
As I wait for a sign so
I know your mind everyday
I look in the mirror and
I see your face

The walls break down, down
When you smile at me
And the world's much brighter
Than the wanna one i si.
